

March 27, 2015

S8-509 Ookayama campus, Tokyo Tech.

## -Photonics meets materials-

### Programs

14:25-14:30 Opening

14:30-15:30 "Photonics meets materials:  
nanotextured surfaces for sensing"

Prof. Saulius Juodkazis

(Center for Micro-Photonics, Swinburn University, Australia)

- Tea Break -

15:45-16:30 "Optical and mechanical properties of photoresist  
nanopatterned by laser"

Prof. Vygantas Mizeikis

(Research Institute of Electronics, Shizuoka University, Japan)

16:30-17:00 "Metamaterials and photochemistry" (tentative)

Prof. Ewa Gorecka

(Dept. of Chemistry, Wrsaw University, Poland)

- Mixer -
